Descriptif

At present, 61km of the “voie douce” can be used.
Along the way, on 51km you can get away from it all and discover Vinezac, Vogüé, Balazuc and Labeaume, four villages with the Villages de Caractère label.
Cycling and vineyards: No fewer than 6 vineyards and tasting cellars with the Vignobles et Découvertes label, ideal for developing ideas for cycling and wine tours, line the route along the Jalès plain.
To the south, at the Saint-Paul-le-Jeune tunnel exit, there is a 3km connection to Gagnières.
From Saint-Sernin a second section of 13km allows to join Largentière.
From Vogüé a third section of 27km allows to join Le Teil while waiting to connect ViaRhôna in Rochemaure.
