From La Payre to Saint-Vincent-de-Barres

Easy | **Electrically assisted bicycle** | **1 h** | **12.0 km**

Départ 450 Route de Partage
07210, Saint-Lager-Bressac

Descriptif

Standing on its volcanic promontory, Saint-Vincent-de-Barrès welcomes you through its narrow, winding streets. The village, admirably well restored, is a sure hit ! The town also offers an exceptional panorama of the surrounding mountains, the Coiron plateau and their unique geology. Don't miss the « rue des échoppes » and its talented artists and artisans.
