Descriptif

On this last stage of the Grande Traversée de l'Ardèche VTT, the view of the Ardèche valley beyond Salavas is breathtaking. Apart from a few vineyards, this limestone plateau is nothing but vast, wild scrubland. Its true richness is not apparent at first glance. Here you're in cave country! Crossing the Ronze wood, dominated by holm oaks, you reach the Grande Lauze, an immense limestone slab. The GR4 takes you to Aiguèze. At the edge of the Ardèche, the Rhône valley welcomes you. You cross vineyards and orchards to reach Bourg-Saint-Andéol and its extraordinary architectural heritage.
